# How to Apply

- **Take the Dental Admissions Test (DAT)**
- **Submit a verified ADEA AADSAS**
- **Complete the Creighton University School of Dentistry supplemental application process**

---

# Admission Requirements

- **DAT: Achieve DAT scores of 17 or higher on the following sub-sections:**
  - *Academic Average*
  - *Total Science*
  - *Perceptual Ability (PAT)*

- **Dental Shadowing: Complete a minimum of 65 hours of shadowing.**

- **Academic Prerequisites:**
  - *Biology (General): 2 semesters including lab*
  - *General Chemistry: 2 semesters including lab*
  - *Organic Chemistry: 2 semesters including lab*
  - *Physics: 2 semesters including lab*
  - *English: 2 semesters (Certified Writing and/or Intensive Writing courses also accepted)*

The School of Dentistry has found that successful students have completed advanced level courses in anatomy, biochemistry, physiology, histology, and/or equivalent. Additionally successful students have experiences that improved dexterity and perceptual ability including, but not limited to, fine arts, wood working, knitting, etc.
